

## **General Data Protection Regulations**

### **How we use your information**

- We collect and hold data about you for the purpose of providing safe and effective healthcare
- Relevant information will be shared with other healthcare providers in order to provide you with the best healthcare, for example if you need to be referred to a hospital for specialist care
- Your information may be shared with our partner organisations to audit services and help provide better care
- Information sharing is subject to strict agreements on how it is used
- We will only share your information outside of our partner organisations with your consent unless your health and safety, or others is at risk, the law requires it or it is required to carry out a statutory function
- You can object to sharing information with other health care providers but if this limits your treatment options, we will tell you
- Our guiding principle is that we are holding your information in the strictest confidence
- For more information about who are our partner organisations and how your data is used, please see the fair processing notice on our website
